|  |   |  |   |                          |                  |                 |               |                  |  |                         |  |

## Description of Issue:

- D2893, D2940, D5017, and D5018 being redesigned to improve fit.
- Existing stock OK to use and ship in the meantime
- Stock will be re-worked when new dwgs released
- See Engineering before producing new batches

*See attached*

## Distribution:

VP Operations

Director of Operations

Director Quality Assurance

Director of Engineering

Chief Engineer

Engineering Project Managers

Engineering Clerk

Customer Support Manager

Production Engineers

Production Planners

Purchasing Manager

Technical Support

Product Manager - Solutions Provider
